Sub: - NOC for disposal of sewerage water from Sub Division of Layout Plan over Plot No-241/3229, Khata No.480/583, Ranja, Dhenkanal Sadar, Dhenkanal

Ref:- Your letter No.SA/2023/003 dtd.23.08.2023

Dear Sir,

With reference to your letter on the subject cited above, it is to say that after inspection of your above plot by concerned field officer of this Department. it is found that in the east side of your above plot there exist one hill and the storm water use to flow in natural gradient to the road side drain of Dhenkanal-Tarava Road. Therefore you have to make necessary arrangement in your sub-division lay out plan for smooth flow of storm water to the road side drain without any obstruction. The waste water should not be discharged to the road side drain directly without proper treatment.

The no objection certificate is issued subject to fulfillment of above conditions and the same will not be valid if violated.

Yours Faithfully

  
Superintending Engineer,  
Dhenkanal (R&B) Division, Dhenkanal
